Year 4 Visit to Clitheroe Castle

This week, Year 4 attended a workshop at Clitheroe Castle Museum, run by the Ribble Rivers Trust. The children explored the museum's exhibitions, discussing the formation of our local landscape and the impact of industry on our area. They were also able to look at and interact with the Fluvial Geomorphology Table, that demonstrates river formation as well as the impact that humans and rivers have on one another. The children were excellently behaved, wonderful representations of our school, and were engaged and excited throughout the trip.
