Newsletter 6th February 2026

Despite the cold weather outside this week, it has been a wonderfully productive and busy time in school. The children have worked incredibly hard across all areas of learning, and it has been lovely to see their enthusiasm and determination even on these chilly mornings.

This week, we had a visit from our school adviser, Mr Ward, who came and spent a morning looking around our school, visiting class and asking Mrs White and Mr Stell lots of questions. It was an absolute pleasure to share all the wonderful things that go on at WWB and Mr Ward was absolutely “blown away” by the learning, focus, behaviour and support in school. In his words “what a naturally excellent school!” A huge thank you to every single staff member who works hard every day to achieve this and provide such a wonderful learning experience for all children.

A reminder to parents that our Book Fair has arrived and is in school on Monday and Tuesday next week, so please visit if you can. Next week is also the final week before half term, so please keep an eye on any final notices and upcoming events as we head towards the break.

Thank you, as always, for your continued support.

Brennand's School Council visit to WWB!

On Tuesday, we enjoyed some time with the newly formed school council from Brennand's Endowed CE Primary School. The children came to meet our Rainbow Leaders (school council) and asked each other lots of questions about what they do as a school council and what impact they have. It was lovely to show them around our school and share ideas!
