Dear Parents/Carers,

At the end of my first week here as your new Headteacher, I wanted to take the time to write and thank you for the extremely positive welcome you have given me this week. I have thoroughly enjoyed spending time getting to know the pupils and working with the staff. Your smiles and kind words have meant a lot! The children have been a credit to you; their attitudes to learning are so positive, they have wonderful manners and the caring ethos of the school has been evident from day 1!

Thank you for reading the new Parent Handbook and following any new school procedures. The morning 'drop and go' system seems to be having a positive effect on congestion. We will be reviewing the end of the day systems next week so I will keep you up to date with any changes to make that safer. In the meantime, please do not park on the yellow zig zags and please do not double park on the road between the end of the zig zags and the staff car park as I'm noticing that that is causing the most congestion when two cars can't get through at once. Thank you so much for following these new parking rules and helping to keep all the children safe from danger.

Next week, we will begin our Celebration Assemblies on a Thursday and I'm very much looking forward to welcoming parents of award winners into school.

I look forward to settling in even more and continuing an exciting journey of learning with you and your families.

My very best wishes,

Mrs White
