Year 5 Girls Stem Visit to Oakhill

Our Year 5 girls had a wonderful day visiting Oakhill School on Monday, where they enjoyed a fun-filled day packed with exciting STEM activities!

From exploring new ideas and solving challenges to getting hands-on with science, technology, engineering and maths, the girls had the opportunity to learn, experiment and work together in a fantastic environment. 🧪🔧💡

A huge thank you to everyone at Oakhill School for welcoming us and providing such an inspiring experience! 💜

Macmillan Coffee Morning

A huge thank you to everyone who joined us for our Macmillan Coffee Morning today. It was fantastic to see so many people come together to support such a worthy cause, enjoying plenty of coffee, cake, and great company along the way.

The event was a great success, and that is thanks to the generosity, enthusiasm, and support of everyone who attended, donated, baked, and helped organise the morning. Every contribution will make a difference in helping Macmillan continue its vital work supporting people living with cancer and their families.

Thank you once again for making the event such a success and for helping create such a wonderful community atmosphere. We are truly grateful for your support. ☕🍰💖

Online Safety

Keeping Our Children Safe Online

As technology continues to play a bigger role in our children's lives, it is more important than ever that we work together to help them stay safe online. From social media and gaming to messaging apps and websites, the digital world offers many opportunities, but it also comes with risks.

As parents and carers, having regular conversations about online safety can make a huge difference. Encouraging children to think carefully about what they share, who they interact with, and how they behave online helps them build the skills they need to navigate the internet safely and responsibly.

To support families, we are pleased to introduce our new 4Cs Online Safety Poster. The poster highlights four key areas that can impact children's online experiences and offers simple guidance to help parents and carers understand potential risks and start important conversations at home.

 We encourage all parents and carers to take a few moments to read the poster and discuss its messages with their children. By working together, we can help our young people become confident, responsible, and safe digital citizens.

Thank you for your continued support in keeping our children safe online. 

In our Christian family, we encourage, serve and respect everyone and shine in the light of Jesus!
