

Year 6 Newsletter

Spring Term: Week 6 beginning 6th February

It has been a busy but fun week in Year 6. On Thursday, the School Council's hard work paid off after hosting a successful Valentine's Dsico. It was a great night with lots of dancing, singing and improvng. Unfortunately, the music cut out a couple of times but it didn't stop the fun. Congratulations to Poppy and Jaycob who were crowned our King and Queen of 2023. A huge thankyou to the School Council members (Layla, Rosie, Gracie, Ben, Poppy, Lily, and Miles) for the countless hours of arranging tickets, food, activities etc. It was a huge success! Also, a big thank you to James for organising all the music, the parent helpers who gave up their time and of of course, Mrs Pallister. It wouldn't have been possible without her!

Children's Mental Health Week: The week began with an assembly about the theme of the week and introduction to how we can help. Along with our Rainbow Day, the children went on a good walk on Wednesday afternoon. The weather was perfect and it was great to be out in the fresh air. Although it was a little muddy in places, the children really enjoyed the opportunity to just talk, walk and enjoy their surroundings. They were eager to do another walk which will be organised soon.

English- We competed our diary entries this week in the role of Macbeth. The children used all their gathering of examples from the text, work on synonyms and knowledge of the character's journey to write (independently)the story of Macbeth.

Maths- We have worked on the order of operations this week. We solved problems involving BIDMAS and then completed some SAT style questions.

Art- We completed our portraits this week in the style of Litchenstein. The children have enjoyed the topic and their results look great!

PE- On Tuesday, the children took part in a Bleep Test as part of their Dance/Excercise topic. It was great to see everybody have a really good go at it and attack the activity. I can't remember everyone's levels but well done to our two Freddie's, both getting past level 14- amazing! Well done everyone.

As part of DT and art next half term, we would be very grateful if you could collect plastic milk bottle tops, plastic lids, corks, rubber washers, nuts, bolts, can ring pulls, old bits of wire. These will all be very useful for our designs.

Key dates for the end of the year are: (Times still to be confirmed)

Leavers Play- Thursday 13th July

Church Service- Wednesday 19th July (this will be in the evening)

Leavers Assembly- Thursday 20th July (in the afternoon)

Have a lovely and restful weekend. Enjoy the week's break and we will see you in a week's time.

Many thanks

Mr Stell and Mrs Pallister
