Spring Term: Week 10 beginning 13th March

It has been a fun week this week with some great activities taking place. On Friday, the children took part in a 'Glow in the Dark' dodgeball activity (unfortunately, because of the windows in the roof, it didn't get as dark as it should have done). It was great fun and they looked like they enjoyed it. The children also had a very important talk on Thursday about growing up. They were all very sensible with some interesting questions asked.

English- We wrote our character descriptions on Tuesday for the detectives they had created. Bringing them to life in an earlier session, really helped to generate ideas. The descriptions blended in with the story and sounded fantastic!

Maths- We began the week recapping perimeter and then carried out some SAT type questions for the rest of the week.

Brass- We are learning some tricky pieces of music at the moment and the more practise the better. Please ensure your child's instrument is in school every Tuesday so that they can use it in their lessons. Thank you for all your support in getting them to school when they are forgotten.

TTRS- There will be a times table battle starting this week between all the juniors. Try to encourage your child to continue to do 10-15 mins a day to help embed their times table knowledge. If anyone has lost their logins, please don't hesitate to ask.

The children brought home their CGP books for homework this weekend. They have been asked to complete a grammar page and a maths one. The answers are in the back and they can mark them (or someone can at home) once they have been completed. There is an element of trust that the children will complete them before looking at the answers. They are used to doing these this way in class.

As part of DT and art next half term, we would be very grateful if you could collect plastic milk bottle tops, plastic lids, corks, rubber washers, nuts, bolts, can ring pulls, old bits of wire. These will all be very useful for our designs. Thank you to all that have sent some things in already.

Apologies for the parents SATS meeting needing to be cancelled this week. We will be sending a new date out very soon.

Please can we send any Coronation competition entries in this week if your child is wishing to enter.

Key dates for the end of the year are: (Times still to be confirmed)

Leavers Play- Thursday 13th July

Church Service- Wednesday 19th July (this will be in the evening)

Leavers Assembly- Thursday 20th July (in the afternoon)

Have a lovely and restful weekend.

Many thanks

Mr Stell and Mrs Pallister
